DIRECTOR'S MESSAGE

I am confident you have come to the best adult education school in the San Gabriel Valley. Monrovia Community Adult School is a WASC-accredited and NCAA-approved institution offering UC a-g classes in its high school diploma program. I am very proud of the variety of outstanding programs MCAS offers in short-term career technical education (CTE) training, career development education, English as a Second Language (ESL), basic education, and high school diploma and equivalency.

We are very excited to announce that at the beginning of the 2025-26 school year, MCAS began to serve as a collocation for an America's Job Center of California (AJCC)! In collaboration with the Los Angeles County Workforce Development Board (WDB) and the County Department of Economic Opportunity (DEO), in July 2025 the Monrovia AJCC Affiliate started operating as an affiliate of the East San Gabriel Valley AJCC (ESGV AJCC). Case Managers have been on campus Monday through Friday providing Workforce Innovation and Opportunity Act (WIOA) employment services to regional residents and businesses. The effort to establish MCAS as an AJCC collocation was helped by Monrovia City Council Member Larry Spicer and we appreciate all of his support.

MCAS will leverage Monrovia AJCC Affiliate classroom training funds, as well continue to partner with other regional AJCCs to ensure that the hundreds of students who enroll in MCAS Career Technical Education programs pay nothing for their classroom training and subsequently get hired.

MCAS continues to be a strong hub for regional workforce development. In 2024-25 MCAS partnered with the City of Monrovia, ESGV AJCC, and dozens of regional employers to offer Job Fairs and hiring events that served nearly 1,200 potential employees. In the 2025-26 school year, our September Job Fair served over 400 job seekers and over 45 employers.

We are very fortunate that the Monrovia Board of Education and the Monrovia Unified School District have continually provided strong financial support and leadership to Monrovia Community Adult School. The support and assistance from our Board and district office has allowed this school to focus on what it does best: transforming the lives of our students through education.

With dedicated funding from the state through the California Adult Education Program (CAEP), MCAS has been able to maintain the new programs it has implemented over the past three years. I urge you to stay informed about CAEP and how it affects your education. The website is: <https://caladulthood.org/>

Our students continue to embrace a culture of progress and transition. Many MCAS ESL students graduated from the ESL program and also completed the HiSET. For the 2025-26 school year MCAS is on pace to see increased percentages for diplomas earned and HiSET passage rates and continued excellence in our CTE certifications and employment rates.

MCAS remains a vital part of the Citrus College Adult Education Consortium (CCAEC), which means that MCAS continues to work together with regional adult schools and Citrus College to better provide you with programs and services. You can learn more about the CCAEC at our consortium website: <http://www.ccadulthood.org/>

Welcome and please let me know, if there is anything we can do to serve you better.

Mr. Flint Fertig
Executive Director of Adult Education
for Monrovia Unified School District

ALL PROGRAMS REQUIRE TESTING FOR ENROLLMENT

In order to enroll in either an Academic, English as a Second Language (ESL), or Career Technical Education (CTE) program, students are required to take a Comprehensive Adult Student Assessment System (CASAS) exam at the time of registration. The purpose of this pre-enrollment assessment is one of the following:

- 1) to ensure a student is properly placed into the correct ESL level
- 2) to ensure a student is prepared for the academic rigors of a career technical or academic program
- 3) to learn what academic gaps exist for students so that the school can provide support to address those gaps

ACADEMIC PROGRAMS

HIGH SCHOOL DIPLOMA, HISET, AND BASIC ACADEMIC COURSES

The MCAS Academic Lab is open four days a week for in-person instruction of all Academic programs during the 2025-26 school year. Curriculum for MCAS high school diploma classes, high school equivalency test prep (HiSET), and basic academic courses is accessed online with Edgenuity and other supplemental applications. Students who have difficulty accessing Edgenuity can obtain course curriculum through assignment sheets in Google Drive or Google Classroom.

MCAS offers a variety of academically rigorous courses that meet all students' educational goals and prepare students for college and career. Students can earn a WASC-accredited, NCAA-approved high school diploma and take UC a-g courses. For those students who wish to pursue a high school equivalency, MCAS offers classes to prepare for the High School Equivalency Test (HiSET) and serves as a HiSET testing site. MCAS also offers basic academic Math, English, and Vocational Literacy classes for vocational and other students who wish to improve their academic skills.

MCAS has created a varied Academic schedule where teachers across subject matters can provide direct instruction to small groups, or one-on-one, to support these online classes. However, because MCAS faculty expertly utilized online instructional methods during the COVID-19 shutdown, they are well prepared to assist students with some virtual one-on-one instruction, if time in their instructional schedule permits. To inquire about these virtual options, contact MCAS instructors during lab hours and see if, and when, they have time to meet via Zoom.

The Monrovia Community Adult School diploma program allows students to earn a WASC-accredited high school diploma as an adult. The program offers a rigorous, standards-based curriculum in primarily an independent study delivery model, but with some small group, direct instruction. The program ensures that graduates acquire critical academic skills necessary to continue their education in a postsecondary institution and provides the opportunity to achieve success in the workplace and in life.

If you are a student new to MCAS and you want to enroll in classes to complete your high school diploma, your first steps will be to get an official transcript from the last school you attended and to call the front office (626.471.3035) to schedule an appointment with an MCAS counselor. You will meet with the counselor, review your transcripts and create an academic action plan to better reach your goals.

If you are a returning MCAS student working on your high school diploma and you have already submitted your official transcript to MCAS, you may register for the Academic Lab in person at the Adult School Mountain Avenue campus office.

ADULT BASIC EDUCATION COURSES

The MCAS ABE program is designed to meet the academic needs of each individual and to help students achieve their personal and educational goals. The program goal is to support students in MCAS vocational training programs, transition students to the workplace, or prepare students for the MCAS high school diploma or HiSET programs.

All MCAS ABE courses in English Language Arts and Math are competency-based and delivered in a hybrid manner. With hybrid classes, curriculum is accessed online and instruction is in-person (or in some instances via video conferencing). In a competency-based course, students can progress through the course learning objectives as quickly as they show proficiency in the objective. If students demonstrate proficiency of a concept to the instructor, they progress to the next concept without having to complete all of the formative assignments. Courses are a combination of direct and online instruction.

In the evening, students receive instruction from one of the Academic Lab instructors. The instructor offers ABE courses that are similar to the day time courses. In addition to the courses, the instructor can help with basic business math skills, test taking strategies, reading, vocabulary, spelling, grammar mechanics and writing.

To provide additional academic support to MCAS CTE students, MCAS offers Medical Math and Construction Math in addition to ABE courses. Instruction and curriculum for Medical Math and Construction Math are delivered in-person.

CAREER TECHNICAL EDUCATION PROGRAMS

MEDICAL PROGRAMS

MCAS offers quality medical programs with excellent certification pass rates and job attainment results at much lower costs than private colleges. 97% of our students receive financial aid with 82% qualifying for training at no cost.

All CTE students must take an entrance exam to qualify for programs. After the exam, potential students meet with an MCAS Counselor to discuss career goals and financial aid. MCAS requires students to schedule a time to take the exam and meet with the MCAS Counselor. Please call the office at (626) 471-3035 to schedule this.

NURSE ASSISTANT PRE-CERTIFICATION CNA

The MCAS Nurse Assistant Pre-certification CNA program trains students for positions in the nursing field and prepares students for the State Nurse Assistant Certification Exam. Successful students can climb the first rung up the professional nursing ladder on the way to becoming a Registered Nurse at significant savings from programs offered by private colleges. This program includes classroom and lab instruction as well as hands-on training in a long-term care facility.

In addition to passing the pre-registration assessment, potential students must pass a TB test, a physical, and a criminal background screening to be eligible for this class.

CLASS REQUIREMENTS:

96 hours of theory in the classroom

120 hours of clinical in a long-term care facility

Students must also attend Career Readiness workshops on Wednesdays from 1:30pm to 2:30pm.

CAREER TECHNICAL EDUCATION PROGRAMS

CLINICAL MEDICAL ASSISTING BACK OFFICE/FRONT OFFICE: HYBRID DELIVERY

The MCAS Medical Assisting course is a 22-week program that introduces students to a career in medical services, prepares students for and places them in a medical office externship, and helps students find employment in a healthcare office.

Students learn about the medical front office by demonstrating professional, effective interpersonal, oral, and written communication skills; knowing and applying legal responsibilities and medical ethics; using medical terminology, abbreviations, and symbols; following OSHA regulations; and performing patient data collection and management. Students also extensively learn about the medical back office: injection procedures, sterilization, diagnostic testing, EKG, medications, examinations, and minor surgery prep, among other skills.

The program is delivered in a hybrid manner. Direct instruction occurs in a classroom every Tuesday and Saturday as well as an online component. Students complete 12-15 hours of online assignments in preparation for classroom direct instruction. This hybrid delivery frees up student schedules so they complete a 160 hour internship at a medical office before the end of training. This program also requires Medical Math and Career Readiness workshops on Tuesdays.

The 2025-26 Clinical Medical Assisting program registration period has closed for this school year. We are enrolling students now for the Fall 2026 term, to begin in mid-August 2026. Please contact the front office at (626) 471-3035 to set up an appointment for assessment.

Most of our students qualify for complete financial aid. Register at the MCAS No Cost Training website to start the financial aid application process.

PHARMACY TECHNICIAN

The MCAS Pharmacy Technician program prepares students to earn a state Pharmacy Technician license, pass the national Pharmacy Certification Exam and get successful employment at a pharmacy. This is all provided at a fraction of the cost charged by private colleges. Our faculty has years of pharmaceutical experience and contacts to help MCAS students to get employed. Students learn basic pharmacology, pharmacy calculations, deciphering and filling medication orders, reconstitution of medications, medical terminology, basic anatomy, physiology, and pharmacy operations among other critical topics.

The MCAS Pharmacy Technician training has always been a program delivered in a hybrid manner including both online and in-person instruction. Students complete 12-20 hours of online assignments in preparation for classroom direct instruction one day per week.

The program requires 140 hours of an internship at a pharmacy. MCAS helps student with internship placement.

CERTIFIED MEDI-CAL PEER SUPPORT SPECIALIST

The MCAS Medi-Cal Peer Support Specialist Training program is a five-week, 88-hour program that prepares individuals to pass the California Mental Health Services Authority (CalMHSA) Medi-Cal Peer Support Specialist certification exam and to work as a Certified Medi-Cal Peer Support Specialist supporting an approved provider who treats clients with mental health and substance use disorder issues.

The course facilitates student understanding and application of the 17 California Core Competencies for Medi-Cal Peer Support Specialists. These competencies include, but are not limited to: the concepts of hope, recovery, and wellness; the role of advocacy, trauma-informed care, group facilitation skills, professional boundaries and ethics, navigation of, and referral to other services, documentation skills and standards, confidentiality, and digital literacy. The program also prepares individuals for employment opportunities, including study and test-taking skills, job application and résumé preparation, interviewing, and other potential requirements for employment. There are two mandatory in-person class sessions on the first and last day of each term.

The class is taught by a highly qualified, California-credentialed instructor who is a certified Medi-Cal Peer Support Specialist and who has a Substance Abuse Prevention and Control (SAPC) certification and a Master's degree.

Individuals who complete the training and pass the CalMHSA certification exam support treatment professionals to help individuals overcome life problems caused by mental health and substance use disorder. A Medi-Cal Peer Support Specialist could work at a sober-living facility, in an outpatient treatment center, in the field, or in other settings supporting the coaching, linkage, and skill-building of individuals with treatment needs. They promote skill building for individuals in the areas of socialization, recovery, self-sufficiency, and self-advocacy.

This is a hybrid class with two in-person classroom instructional days and the balance of days being conducted virtually. Program assignments are accessed online through a learning management system (LMS). Individuals with lived-experience are encouraged to participate in training, but it is not a requirement.

SECURITY FIRMS ARE HIRING!

MCAS works closely with numerous security firms to connect them to qualified candidates and these firms need employees! We offer a variety of Security Officer training programs to prepare students to pass the California Bureau of Security and Investigative Services (BSIS) guard card exam and begin employment with a company.

MCAS has a public-private partnership to provide the highest quality instruction for students. This partnership means that many classes are held away from the MCAS campus closer to Los Angeles to help students overcome barriers of transportation.

SECURITY OFFICER

The Security Officer program is a 1 week, 40-hour training program that provides students the skills and knowledge to become a private security guard and prepares students to pass the BSIS exam and earn a guard card. This 40-hour training program delivers courses from the three categories outlined in Article 9 Section 643 of the California BSIS Security Guard Training Regulations. Students complete 8 hours of instruction in Section 643 I Power to Arrest Courses, 16 hours in Section 643 II Mandatory Courses and 16 hours in Section 643 III Elective Courses.

These 40 hours cover comprehensive security topics: powers to arrest, weapons of mass destruction, public relations, observation & documentation, communication, legal / liability aspects, and first aid / CPR among others. Students receive certificates of completion for each course completed within the training. Successful graduates become registered by BSIS as a security guard and work as an entry level guard. Cost of the program includes course curriculum, LiveScan background check, and BSIS application fee.

SECURITY OFFICER ENROLLMENT ONGOING

TELEVISION PRODUCTION

The MCAS Television Production program teaches students to explore the responsibilities and skills required of multiple departments of a television production and to acquire skills at an employable level in a department. During this intensive ten-week program, students will either work to produce a live sporting event or a scripted television show. Students learn about camera, lighting, rigging, production, wardrobe, make-up, editing, and all other departments of television production. This program has stellar employment placement rates.

MONROVIA AJCC AFFILIATE NOW OPEN!

MCAS is very excited to announce the school will serve as a collocation for an America's Job Center of California (AJCC) at the beginning of the 2025-26 school year!

In collaboration with the Los Angeles County Workforce Development Board (WDB) and the County Department of Economic Opportunity (DEO), the Monrovia AJCC Affiliate begins operating in July 2025 as an affiliate of the East San Gabriel Valley AJCC (ESGV AJCC). Case Managers will be on campus Monday through Friday to provide Workforce Innovation and Opportunity Act (WIOA) employment services to regional residents and businesses.

If you are job seeker wanting a new career or a local business searching for new employees, the Monrovia AJCC Affiliate provides excellent re-

sources for you. Monrovia AJCC Affiliate Case Managers and the MCAS Career Center Specialist offers workshops on resumes, employment portfolios, effective job searches, professional attire and behavior, interviewing techniques, and other critical employment soft skills. Businesses can post jobs and participate in quarterly MCAS Job Fairs.

ENGLISH AS A SECOND LANGUAGE

MCAS offers various levels of English as a Second Language (ESL) classes during the day and at night to help students become proficient in English. MCAS includes English Learner (EL) Civics units in all ESL classes to assist students so they can better navigate a variety of governmental, educational, and workplace systems. MCAS provides a Citizenship program, to help students pass the Citizenship test and become a U.S. citizen and a Conversation program to support students in their efforts to improve speaking and conversational skills. The MCAS Vocational English program gives English Learners the chance to learn English while acquiring knowledge and skills that will prepare them for MCAS Career Technical classes.

FOLLOWING ARE THE DATES FOR EACH SEMESTER:

DAY CLASSES

SPRING TERM: JANUARY 5, 2026 TO MAY 21, 2026

EVENING CLASSES

SPRING TERM: JANUARY 6, 2026 TO MAY 21, 2026

TOTAL PROGRAM FEE: FREE

EL CIVICS

English Learner Civics is an important component of the MCAS ESL Program. We want our ESL students to understand why ESL Civics is included in our classes and why they should learn Civics content and do well on the Civics tests. The U.S. government believes that immigrants and other limited English proficient persons must not only master English, but be able to understand and navigate governmental, educational, workplace systems and key institutions, such as banking and health care in order to effectively participate in education, work, and civic opportunities in this country.

ENGLISH AS SECOND LANGUAGE

ESL LEVELS

In the Appendix of the ESL Student Handbook and on the school website, you will find the Citrus College Adult Education Consortium (CCAEC) Language Proficiency Objectives (LPOs). The CCAEC LPOs are the minimum course objectives our consortium faculty believes a student needs to complete in order to advance from one ESL Level to the next. These LPOs have been created across six skill areas: reading, writing, listening, speaking, vocabulary, and grammar.

These Proficiency Objectives are very detailed and are the best way for students to understand what they need to learn at each level in order to advance to the next ESL level.

COURSES OFFERED

BELOW ARE GENERAL DESCRIPTIONS OF THE ESL COURSES OFFERED AT MCAS:

ESL 1 - BEGINNING LITERACY

ESL 1 is a non-credit, open enrollment course to help students learn very basic English vocabulary, reading, and writing skills. Students who demonstrate proficiency in ESL can read, write and say the letters of the alphabet; can write their name, address and date; and can ask simple questions, and speak statements of basic needs. Instruction includes individual, pair, and group work. Conversations help students become able to ask and answer questions about many aspects of functional everyday life.

CERTIFICATE AWARDED FOR LEVEL COMPLETION

DAY CLASSES: MON - THU | 8:15AM - 11:45AM | **NIGHT CLASSES:** TUE / THU | 6:00PM-9:30PM

ESL 2 - BEGINNING LOW

ESL 2 is a non-credit, open enrollment course designed for students who possess some low level basic skills in English. Students in ESL 2 improve vocabulary and learn to read and interpret simple sentences, instructions, forms, directions, signs, maps, and menus. Students who demonstrate proficiency in ESL 2 learning objectives can read common transportation and workplace signs, make sense of simple notes and messages, interpret simple forms, locate familiar information in simple lists, discuss simple sentences and communicate simply with various members of societal systems.

ESL 6 - ADVANCED

ESL 6 is a non-credit, open enrollment course, which is designed for students who already have high intermediate reading and writing English skills. Students in ESL 6 integrate language functions and language forms with informational sources, necessary skills, and real world topics. Students can function independently in familiar personal and work situations, show very good control of grammar, and can read and interpret most authentic forms and materials they encounter in the world. Students often use creativity to produce language. Students address topics in ESL 6 that coincide with their learning goals: general, vocational, or academic.

DAY CLASSES: MON - THU | 8:15AM - 11:45AM

COMMENCEMENT CEREMONY

Students who successfully master the learning objectives of MCAS ESL Level 6 will be invited to participate in the MCAS Commencement Ceremony. Taking part in this ceremony is a great honor! Students will take part with high school students who have earned a diploma or the equivalent, career technical education graduates, and medical students who have received their certification and medical pin. We hope that many students work hard to achieve this distinction!

CERTIFICATE AWARDED FOR PROGRAM COMPLETION

VOCATIONAL ENGLISH

Vocational English is designed for ESL students who wish to accelerate English learning in the context of earning employment. The Vocational English course is a hybrid class: a combination of online and direct instruction. While learning English, students also learn soft job skills and introductory knowledge about one of the vocations for which MCAS provides career technical training. Students learn how to make a resume, interview skills, develop life skills, job search skills, and obtain career-specific knowledge while learning and improving English.

DAY CLASSES: MON / WED | 2:30PM - 4:30PM

ESL CONVERSATION

In the English Conversation class, students will build confidence in speaking about everyday topics, current news issues, and other subjects of interest to the class. Students will have the opportunity to improve their fluency through individualized pronunciation practice.

FOR ESL LEVELS 3 - 6 | DAY CLASSES: TUE / THU | 1:00PM - 3:00PM

US CITIZENSHIP

This course prepares students for the citizenship interview and written/oral exams. Topics include U.S. history, U.S. government, written dictation practice, and interview questions. MCAS suggests that Citizenship students are able to speak, read and write English at an intermediate level or above.

FOR ESL LEVELS 3 - 6 | DAY CLASSES: TUE / THU | 1:00PM - 3:00PM

GENERAL INFORMATION

ENROLLMENT

Students are considered enrolled in a Monrovia Community Adult School class, if and only if, Monrovia Community Adult School has received full payment of tuition owed. Any agreements for scheduled payments, partial payments, or financial aid, must be agreed to in writing under a separate agreement. If students do not submit complete payment for fee courses, MCAS reserves the right to remove the student from the class and/or withhold transcripts or certificates of completion.

REFUND POLICY

Students have the right to cancel enrollment in a Monrovia Community Adult School (MCAS) class and obtain a refund of fees paid, as long as the cancellation is made prior to the scheduled start date of the class. Notice of cancellation must be in writing and, if sent by mail, notice is effective when delivered or when postmarked. Electronic correspondence to the general MCAS email account is acceptable, as long as notification is delivered before the scheduled start date of the class.

For a refund, your registration fee minus a processing charge of \$25.00 will be credited to your account or refunded by check within 4 weeks. If Monrovia Community Adult School cancels a class for which you are registered, you will receive a full refund within 4 weeks. Credit card charge backs and checks returned with insufficient funds are subject to a \$20.00 handling fee. For the full refund policy please refer to your Enrollment Contract or the Student Handbook.

DISMISSAL / DROP POLICY

Some students do not give their best effort in MCAS programs or engage in poor behavior that affects the learning process. MCAS calls these Need for Growth (NFG) behaviors. These NFG behaviors are extensive and cannot be listed here in their entirety, but would include: excessive tardies or absences, poor academic progress, cheating or plagiarism, and harassment of other students, among others.

To address poor academic progress or NFG behaviors, MCAS has procedures that can lead to student dismissal from a program, if a student does not correct the behaviors. The process provides a number of interventions to give students significant opportunities to correct NFG behaviors or reconcile mistakes.

In some instances, student behavior is so egregious that the above procedures cannot apply. MCAS calls this Egregious Behavior and students who engage in such will be dropped/ dismissed immediately from a program. Some examples would be: endangering patient safety either willfully or through carelessness, stealing drugs or other items from an internship employer, or committing a grave illegal act at school or an internship site. To see the full Dismissal / Drop policy, please refer to MCAS Enrollment Contract.

STUDENT RECORDS

In order to obtain a transcript, copy of a program completion certificate and/or attendance records, you will need to fill out an Authorization for Release of School Information, which is available on the MCAS website. The request must be filled out in its entirety and either faxed to (626) 471-3036, emailed to the school informational email address, or mailed to the school. A copy of your identification must be included when the form is submitted for processing by fax, email or mail. There is no charge for student records and the timeline for fulfilling the order can take up to three business days. Requests are filled in the order they are received. To obtain GED test records, please contact the testing service directly at ged.com/transcripts/.

HARASSMENT POLICY

Harassment is any unwelcome conduct (verbal, physical, or visual) that adversely affects other students or the condition of classroom participation. Harassment comes in many forms and is not limited to sexual harassment. Any abuse of another person based on that person's race, national origin, ancestry, pregnancy, disability, age, marital status or any other protected characteristic is considered harassment. Harassment in any form will not be condoned or tolerated at Monrovia Community Adult School. If any student commits harassment of any type to anyone on campus, he or she must meet with administration to discuss and reconcile the incident. Egregious harassment can result in dismissal from an MCAS program.

GENERAL INFORMATION

ATTENDANCE AND COURSE COMPLETION POLICY

Students are expected to attend all scheduled class meetings. Exemplary attendance is a critical component for student success and completion of MCAS programs. Each course is based on course outlines that have learning objectives, a syllabus, and a requisite number of hours of instruction. Students are expected to attend hours to fulfill course outline requisite hours. Course outlines are on file in the MCAS office and available for student viewing upon request.

Though students should have attendance that equals course outline requisites, MCAS understands that health issues or urgent personal circumstances may affect a student's attendance. In cases where students have not met requisite hours of attendance, program instructors may rely on the student's ability to demonstrate competency of course outline learning objectives to make-up for missed attendance.

UNIFORM GRIEVANCE POLICY

If you have a complaint or grievance, please know that the Monrovia Unified School District follows a uniform complaint procedure. This complaint procedure is used to address student complaints of discrimination (based on age, sex, sexual orientation, gender, ethnic group identification, race, ancestry, national origin, religion, or disability), harassment, or school failure to comply with state and/or federal law. If you would like to file a complaint, MUSD policy requires that you file a written complaint with the district's superintendent. The MUSD Board of Education has designated the following compliance officers to receive and investigate complaints and ensure district compliance with the law:

Superintendent of Schools

Assistant Superintendent of Human Resources
Compliance Officer for Personnel

Assistant Superintendent, Educational Services
Compliance Officer for Instructional Materials

Director of Educational Services, Intervention, and Support Services
Compliance Officer for Students

Chief Business Officer
